

Retirement Celebration Honoring Patrick O'Rourke

Friday, September 20, 2019 @ 6:30 p.m. CT

Dynasty Banquets
4125 Calumet Avenue
Hammond, IN

Please join Patrick's family and friends along with the Hammond Teachers' Federation to celebrate the over 50 Years of Service Patrick O'Rourke dedicated to the teachers, students and community of Hammond, Indiana. Patrick's activities included lobbying the Indiana General Assembly; bargaining the contract; and representing the individual members who simply needed help in dealing with personal or professional issues. He was simply there when needed.

Under Patrick's leadership, Local 394 became a strong political voice in the state of Indiana and in particular, here in Hammond. That voice made it possible to represent teachers both personally and professionally. Once again, please join Patrick and his family to celebrate 50 years of commitment to the Hammond community; to Hammond teachers; and our students.

Short testimonials will be given by community members and friends throughout the evening.

This event includes dinner, open bar, music & dancing.
